

VACANCY ANNOUNCEMENT FOR THE APPOINTMENT OF THE DIRECTOR OF THE REGIONAL SCHOOL OF PUBLIC ADMINISTRATION (ReSPA)

Introduction to ReSPA

ReSPA is an international organisation established as part of a joint initiative by the European Union and the Western Balkan countries with the following objectives:

- To improve regional cooperation in the field of public administration,
- To support development of human resources in line with the European Administrative Space,
- To promote professional networks in the region and beyond,
- To contribute to strengthening the administrative capacities of ReSPA Member States as required by the European integration process.

The Governing Board of ReSPA is now seeking to appoint a Director of the organisation to provide leadership, inspiration and vision and to further develop the work of ReSPA. The Director is an ex-officio member of the Board and will be appointed on a 5 year contract.

During the period of performance of his duties in the Host Country, the ReSPA Director will be entitled to the same privileges and immunities as the ones accorded to a head of diplomatic mission in the Host Country, in accordance with the Vienna Convention on Diplomatic Relations of 18 April 1961.

The Role of Director

The Director is responsible for the leadership and direction of ReSPA and reports directly to the Governing Board. The person appointed to the position of Director will be required to provide visible, inspirational and strategic leadership both internally within ReSPA for the management team and other staff and externally through the promotion of ReSPA as a resource to ReSPA Members in the development of quality public services.

The Director is responsible for creating a positive working environment within ReSPA and for providing the vision and the clarity of purpose for managers and staff. S/he will possess the necessary operational expertise to ensure that resources are efficiently and effectively mobilised and that the necessary skills mix is developed within ReSPA to ensure that the organisation can make a significant contribution towards the development of quality public services across the ReSPA Members.

This appointment is being made at a time when ReSPA is clearly moving from a period of establishment to one of consolidation and expansion where opportunities for the development of its role and services can be explored.

In this new phase of development the Director will display strong advocacy, representational and promotional skills and a willingness to work in the external environment in close proximity to the member states, the European Union and other international organisations and agencies in order to

foster greater buy-in for the mission of ReSPA and to develop new supports, products and effective partnerships that will add real value throughout the region.

The Director will work closely with the Governing Board, and other high-level networks, in developing ReSPA as a key support and source of expertise and excellence to enable the strengthening of democratic governance and trust in public services in the Western Balkans. S/he will be required to work effectively and diplomatically to ensure that strategies are communicated, understood and supported across the membership at both Ministerial and senior official levels. The development of a positive working relationship with the ReSPA Members and the European Union is a critical success factor for the Director and for the effectiveness of ReSPA throughout the region.
